Two new data providers for EU Open Data Portal

[EU Open Data Portal](#) welcomes Eurofound and the European Centre for Disease Prevention and Control (ECDC) as the 43rd and 44th data providers! The [dataset](#) provided by [Eurofound](#) refers to the results of a survey on European working conditions in Europe. The [dataset](#) provided by [ECDC](#) contains a series of reports which give an overview of influenza cases in Europe by week and by country on a yearly basis.

Where to find published tenders?

Invitations to tender for public works, services and supply contracts must be advertised throughout the European Union. This is done through the [TED](#) website – the online edition of the [supplement to the Official Journal](#).

TED provides free access to business opportunities in the 24 official languages of the EU.
