Global Food Security 2030

Assessing trends with a view to guiding future EU policies

Food security is not only a global challenge, but also an opportunity for the EU to play a role in innovation, trade and geopolitics. This report calls for more coordination in this area.

The Fund for European Aid to the Most Deprived (FEAD)

Breaking the vicious circle of poverty and deprivation

This brochure describes the EU's effort to help some of its most vulnerable citizens by providing non-financial assistance. It presents statistics that indicate the current level of poverty in Europe, and describes what FEAD is, why it is needed, who it is for, and how it works.

Science, Research and Innovation Performance of the EU

A contribution to the open innovation, open science, open to the world agenda: 2016

This report shows that the EU continues to be a key player in science and technology, but it also indicates that its economy needs to be more innovation-driven.

Europe Day

[Europe Day held on 9 May](#)

every year celebrates peace and unity in Europe. The date marks the anniversary of the historical "Schuman Declaration", delivered at a speech in Paris in 1950 by Robert Schuman, the then French foreign minister.

Have you ever seen the manuscript of the declaration? Click on the banner below to download it.
