After the opening of tenders:

- If clarification is required or if obvious clerical errors in the tender need to be corrected, the contracting department may contact the tenderer provided the terms of the tender are not modified as a result.
10. This Invitation to Tender is in no way binding on the Commission. The Commission's contractual obligation commences only upon signature of the Contract with the successful tenderer.  
  
Up to the point of signature, the contracting department may either withdraw from the contract or cancel the procurement procedure, without the tenderers being entitled to claim any compensation. This decision must be substantiated and the tenderers notified.
