Miscellaneous information

Text

Public contracts — setting out clear ground rules

The directive sets out rules on the use of public contracts for the provision of works, supplies or services by companies or individuals and the exemptions which can be applied.

SUMMARY

The legislation specifies that when national authorities use [public procurement](#) to invite tenders to provide works, supplies or services, they must treat all applicants equally and not discriminate between them. They must also be transparent in their dealings.

News

 **Council conclusions on European climate diplomacy after COP21**

Recalling its conclusions of July 2015 which invited the High Representative and the Commission to report back in early 2016 on the **outcome of the COP21** and its implications for **climate diplomacy**, the Council adopted the following **conclusions**.

 **Council agrees on its priorities in the fight against terrorist financing**

On 12 February, the Council adopted conclusions on the action plan for strengthening the fight against terrorist financing.

 **The clean air package: Improving Europe's air quality**

The Commission communication on the **clean air programme** was submitted to the Council on 20 December 2013. The Commission also presented the programme to the Council, together with the accompanying legislative proposals, at a meeting of the Environment Council on 3 March 2014.
