What is TED?

3/12

- Online version of the **Supplement to the Official Journal (OJ S)** of the EU
- Free access to business opportunities from the **European Union, the European Economic Area and beyond**
- OJ S 5 times a week, from Tuesday to Saturday, at 9:00, in the 24 EU official languages (machine translation also available)
- On average **2100 notices per edition**, more than 520 000 notices per year

TED website's main features

4/12

- The Browse by topic function, for example *By business opportunities*, *By business sector (CPV)*, *By place of delivery (NUTS)* and *By heading*
- The Search function, which includes *Quick search*, *Advanced search*, and Expert search
- The Search result function, which allows the display and navigation of documents
- The Saved search feature to save up to 25 search profiles
- Customising Preferences
- Subscribing and receiving documents through RSS feeds, News alert, etc.

 - TED Video tutorials:** A list of 5 related videos from PublicationsOffice:
 - TED How to save search options (and receive email alerts of your favourite public procurement notices) - 3:16
 - TED How to request an automated translation of notices (from and to all EU official languages) - 1:52
 - TED XML Bulk downloads - 1:42
 - TED presentation - 6:11
 - TED Dashboard tutorial - 3:03
 - EUR-Lex Results List - Metadata:** 4.1K views
 - EUR-Lex:** Search for metadata - 5:28
 - How computers translate human language - Ioannis...** TED-Ed - 298K views
 - The wonderful and terrifying implications of computers tha...** TED - 449K views
 - How to Submit a Tender to F4E - Explainer video:** Fusion for Energy

The video player interface includes a search bar, navigation icons, and a taskbar at the bottom with various application icons and a system clock showing 11:58 on 11/05/2018.

Some numbers

- Available 24/7, free of charge
- More than 47 million notices consulted/year
- 23 million searches performed on the website/year
- More than 8 million visits/year
- Almost 4 million of news alert emails/year
- 35 000 active registered users

Future projects

- Increase data quality (mandatory fields and controlled input)
- More information about tenders (e.g. structured tender values, awardee)
- More reuse formats (CSV and JSON)
- Keep offering raw TED data to reusers and add own data analytics
- TED API (application programming interface)
