2018 E-Participation Index
Ukraine – rank 75

2024 E-Participation Index
Ukraine – rank 1

2018 Online Service Index

Ukraine – 0,5694
rank 102

2024 Online Service Index

Ukraine – 0,9854
rank 5

EUROPEAN INTEGRATION

TED: EU integration

Ensuring international interoperability through real-time integration between Prozorro and TED to strengthen transparency and data alignment with EU standards

Directives

Development of a new law and additional functionality in the Prozorro in accordance with EU Directives

System adaptation

International version of the system - enabling access to procurement data for non-residents and investors

STUDY CASE: PROZORRO

Key idea:

Prozorro ready to share its experience with other countries.

Stanford Case Study, 2018

Transition From a Volunteer Initiative to State Reform.
Successful implementation of an innovative e-procurement system that transformed public procurement in Ukraine.

OECD Forum, 2023

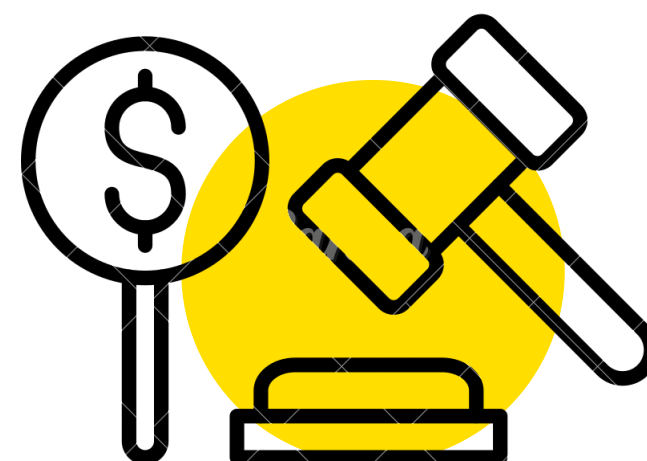

Ukraine received a high evaluation for its anti-corruption policy at the OECD Global Anti-Corruption & Integrity Forum 2023. The Prozorro system was highlighted as a key element of the Ukrainian anti-corruption framework.
