Brussels, 13.10.2004
COM(2004) 660 final

Proposal for a

COUNCIL DECISION

concerning the Community position within the Association Council established by the Europe Agreement between the European Communities and their Member States, on the one part, and Romania, on the other part, on the participation of Romania in the RAPEX system under Directive 2001/95/EC of the European Parliament and of the Council of 3 December 2001 on general product safety

(presented by the Commission)

EXPLANATORY MEMORANDUM

The Europe Agreement¹ (EA) establishing an Association between the European Communities and their Member States, on the one part, and Romania, on the other part, signed in Brussels on the 1st of February 1993, states in its Article 93 that the Parties shall co-operate with the aim of achieving full compatibility of the systems of consumer protection in Romania and the Community. To this end, co-operation shall comprise, amongst other things and within existing possibilities, the exchange of information and access to Community databases.

Directive 2001/95/EC of the European Parliament and of the Council of 3 December 2001 on general product safety establishes, in its Article 12, that access to RAPEX shall be open to applicant countries, within the framework of agreements between the Community and those countries, according to arrangements defined in these agreements. Any such agreements must be based on reciprocity and include provisions on confidentiality corresponding to those applicable in the Community.

By letter dated 2 December 2003, addressed by the Mission of Romania to the European Communities to the Director General for Health and Consumer Protection, Romania requested the Commission to initiate the procedures to enable Romania's access to the EU RAPEX system.

Romania has actively participated, since its start in May 1999, in TRAPEX (transitional system for rapid exchange of information), system that mirrors the activities of RAPEX for the applicant countries.

The attached Proposal has no financial implications.

For the reasons set out above, the Council is invited to adopt the annexed decision.
